Summary of Training Information

The 'yes' and 'no' corresponds to the answers provided in the Team Member section of the BUA indicating if the team member has completed the required training for each biosafety activity.

✓ = Training requirement satisfied, ✗ = Training is expired, ∅ = Training not found.

Hover the mouse cursor over the column heading to view the training requirement for each category. Go to [Workflows](#) for more information on training requirements that has expired or is not found.

One of the following courses needs to be completed:

- BIO-BBP**
(Bloodborne Pathogens Training)
- BIO-BBP-OL**
(Bloodborne Pathogens Online Training)
- BIO-BBPOR-OL**
(Bloodborne Pathogens Online Refresher Training)
