Summary of Training Information

The 'yes' and 'no' corresponds to the answers provided in the Team Member section of the BUA indicating if the team member has completed the required training for each biosafety activity.

✓ = Training requirement satisfied, X = Training is expired, ∅ = Training not found.

Hover the mouse cursor over the column heading to view the training requirement for each category. Go to [Workspaces](#) to view the training requirements for each category.

Name	Roles	Lab Safety Training	IBC Compliance Training	Handle Medical Waste	Ship Bio Materials	Handles Biohazard Animals	Use Equipment	Handle Human Materials	Handle Primate Materials	BSL-2 Location	BSL-2+ Location	Handle Select Toxins	Wear Respirator	Use Biosafety Cabinet
	Co-Investigator	✓	✓	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes
	Lab Manager	✓	✓	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes
	Research Assistant	X	∅	yes	no	yes	yes	yes	yes	yes	yes	yes	yes	yes

One of the following courses needs to be completed:

- BIO-BBP (Bloodborne Pathogens Training)
- BIO-BBP-OL (Bloodborne Pathogens Online Training)
- BIO-BBPOR-OL (Bloodborne Pathogens Online Refresher Training)

Hover your cursor over the column header to see which training(s) will satisfy the requirement. If multiple trainings are listed, only one of these needs to be completed and up-to-date.
